

## The Garden Club of Monroeville

### GCM PURPOSE

To promote and encourage civic planting, and create public interest in conserving natural resources.

### AND HISTORY

-Founded as University Park Garden Club (1959)

-Part of District VII of the Garden Club Federation of Pennsylvania (GCFP), which is part of the Central Atlantic Region of National Garden Clubs, Inc. (NGC)

-Changed name in 2012 to publicize that the club meets in Monroeville
