

Westmoreland Cleanways and Recycling

Prepare for the annual Household
Hazardous Waste Event on Saturday,
November 19 and other recycling
opportunities!

Cosponsored by the Garden Club of Monroeville

Join Ellen C. Keefe, Executive Director of the non-profit Westmoreland Cleanways and Recycling in Latrobe, PA, for a presentation describing the many recycling opportunities open to area residents and businesses. Ellen opened the Westmoreland Cleanways Recycling Center in Westmoreland County in February 2014. In the first year of operation, the Center served over 5,000 visitors and collected over 700,000 pounds of e-waste, in addition to tires, batteries, scrap metal and paper. In 2015 over 2,500,000 pounds of e-scrap, tires, cardboard, batteries and other materials were collected. Ellen led the successful transition of Westmoreland Cleanways from consulting to operations and is positioning it for continued programming and financial growth.

Ellen is also a Derry Township Municipal Authority Board Member and was Board Chair for the Latrobe Municipal Authority. She attended Robert Morris University's School of General Business Administration and Management and is a Certified Recycling Professional.

For information about Westmoreland Cleanways and Recycling, visit the website at <http://westmorelandcleanways.org>.

This library program is free and open to the public. No registration is required. For more information about upcoming adult programs at Monroeville Public Library, call the Reference Desk at 412-372-0500 ext. 4.
